## TETRA WORK

COLORS		DIMENSIONS (WXD)	ART. NO.
Black	●	1600 x 800 mm	512115-1
White	○	1600 x 800 mm	512116-1

Sober minimalism at its best. Featuring clean, straight lines and narrow square legs, the Tetra Works height-adjustable table blends into all environments adding a distinct interior design element.

The straight lines are further enhanced by a minimal tabletop overhang for a floating live-edge look. The dark grey tabletop combined with a matte finish in black or white, gives the table a discreet, elegant look – distinct from office tables.
